WHAT IS THE MASTER OF THEOLOGICAL STUDIES?

The Master of Theological Studies (MTS) program is designed for students who are hungry for a deeper biblical and theological understanding. While the MDiv and MPT programs prepare students for a variety of vocational ministry roles, the Master of Theological Studies program is entirely devoted to biblical studies. Whether you have years of ministry experience as a pastor or church leader and believe deeper theological study would enhance your ministry, or you find yourself on a journey towards PhD work, then the Master of Theological Studies degree is designed for you.

Accredited through the Association of Theological Schools (ATS).

CAPSTONE EXPERIENCE

The graduate capstone experience is a pivotal requirement for all graduate students, providing a platform to showcase their ministerial skills and theological expertise they acquired throughout their studies. This allows students to apply their knowledge to real-life Christian ministry, either through a comprehensive paper or the development of a practical project, ensuring well-rounded preparation for whatever God is calling them to do.
