**Preparation of the Annual Disclosure of Campus Crime Statistics:** To comply with *the Jeanne Clery Disclosure of Campus Security and Crime Statistics Act*, the Associate Director of Building and Security is designated as the Campus Security Survey Administrator, who is responsible for the preparation of the Annual Security Report (consisting of campus security policy disclosures and campus crime statistics for the previous three calendar years) and its submission by October 1 to the U.S. Department of Education.

This Annual Security Report is prepared in cooperation with local law enforcement agencies surrounding our campus, as well as The King's University Operations and Student Development Departments, which provides updated information on the University's educational programs and policy disclosures conducted in order to comply with the Clery Act.

Additionally, the Annual Security Report includes the frequency of occurrence of certain categories of crimes specified in the Clery Act. These crime statistics are collected by the Campus Safety Officer and Student Development Department from the following sources: incident reports written by TKU Student Development staff members; information that may be provided by the Southlake Police Department, Texas Highway Patrol and/or the Tarrant County Sheriff's Department; reports provided by campus victims of crime; and reports provided by TKU officials designated as "Campus Security Authorities" (including, but not limited to: vice presidents, directors, department heads, and faculty/staff advisors to student organizations). Once The King's University crime statistics report has been submitted to the U.S. Department of Education and reviewed by that staff, the Department of Education will make that data available to the general public at <http://ope.ed.gov/security>.

It is the policy of The King's University that the Office of Vice President of Finance & Business Administration or designee shall distribute by electronic mail, to all enrolled students, faculty and staff, the appropriate hyperlink to the Annual Security Report.

**Access Control:** During business hours the University's facilities will be open to students, parents, employees, contractors, and guests. During non-business hours access to these facilities is gained by utilization of a key and or Fob, if issued, or by admittance via Department of Operations. In the case of periods of extended closing, the Department of Operations will admit to University facilities only those having prior written approval. All guest whom are not affiliated as a (Staff, Students, Faculty) with The King's University are required to sign in at the front desk.

**Campus Law Enforcement Authority:** The King's University staff members have the authority to ask persons for identification and to determine whether individuals have lawful business at The King's University.

The King's staff members do not possess arrest power and are not commissioned police officers. Staff members' jurisdiction is comprised of property owned and/or controlled by The King's University. Criminal incidents are referred to Southlake Police Department who have jurisdiction on the campus. The King's University maintains a highly professional working relationship with the Southlake Police Department. The King's University does not have a formal Memo of Understanding with the Southlake Police Department.

All crime victims and witnesses are strongly encouraged to immediately report the crime to Campus Security Officer/ Office of Student Development and the Southlake Police Department. Prompt reporting will assure timely warning notices on campus and timely disclosure of crime statistics.

**Procedure for Reporting Criminal Offenses:** Students, faculty, staff, and guests are expected to report all crimes to the Southlake Police Department and the Office of Student Development in a timely manner. Any suspicious activity or person seen in parking lots or loitering around vehicles, inside buildings or around the building should also be reported to the Office Student Development/Operations.

To report a crime, emergency or non-emergency incident on The King's University, call the Campus Security Officer at 817.722.1705. Discrimination on the basis of sex or gender will not be tolerated in any of the University's education programs or activities. Such discrimination includes but is not limited to: sexual harassment; sexual assault; sex or gender-based bullying; hazing; stalking; relationship violence (including domestic violence and dating violence), and failure to provide equal opportunity in admissions, activities, and employment.

The King's University Title IX Coordinator will be informed of, and oversee, all complaints of sex discrimination and is responsible for identifying and addressing any patterns or systemic problems that arise during the review of such complaints. TKU will make every effort to successfully complete the grievance process for complaints of sex discrimination/sexual misconduct over a period of 60 days or less. The party bringing the complaint will receive periodic status updates on the progress of the complaint and any subsequent appeals.

Executive Director of Student Development

[eric.scott@tku.edu](mailto:eric.scott@tku.edu)

All Student Development incident reports involving students are referred to the Executive Director of Student Development for review and potential disciplinary action. Incidents are reviewed by Student Development Director or designee to determine if a timely warning notice is appropriate. The Campus Safety Officer and Student Development Director will investigate a report when it is deemed appropriate. Additional information obtained via the investigation will also be forwarded to the Office of Vice President of Finance & Business Administration.

If assistance is required from the Southlake Police Department, the Campus Safety Officer will contact Southlake-Tarrant County 911 and request an officer. Crimes should be reported to the Southlake Police Department, the Campus Safety, and Student Development to aid in providing Timely Warning notices to the community, when appropriate, and to ensure inclusion in the annual crime statistics report.

**Prompt and Accurate Reporting:** The King's University encourages and expects victims and witnesses of crimes to report crimes to the Southlake Police Department and to the Office of Student Development even if the victims do not want to pursue action within The King's University or through the local or state criminal justice system.

When the victim of a crime elects to or is unable (physically/mentally) to make such a report either witnesses or The King's University Staff member can make a report on behalf of the victim.

All reports are counted and disclosed in the annual crime statistics for the institution and will be evaluated by the Office of Vice President of Finance & Business Administration or designee to determine if an immediate notification, timely warning, or public announcement should be made.

**Voluntary Confidential Reporting:** If you are the victim of a crime and do not want to pursue action within The King's University System or the criminal justice system, you may still want to make a confidential report. With your permission, the Student Development or a designee can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to keep your identity confidential while allowing others to take precautions to ensure their safety. With such information, The King's University can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

### **Timely Warning:**

#### **A. Definitions:**

Clery Act Crimes—Criminal Homicide, including: a) Murder and Non-Negligent Manslaughter; and b) Negligent Manslaughter; Rape, Forcible Fondling, Statutory Rape and Incest.; Robbery; Aggravated Assault; Burglary; Motor Vehicle Theft; Arson; Domestic Violence; Dating Violence; Stalking and Hate Crimes.

Campus Security Authorities—Non-police security staff responsible for monitoring campus property; individuals and offices designated by the campus security policies as those to whom crimes should be reported; and officials of the institution with significant responsibility for student and campus activities.

Pastoral counselor—A person who is associated with a religious order or denomination, is recognized by that religious order or denomination as someone who provides confidential counseling, and is functioning within the scope of that recognition as a pastoral counselor.

Professional counselor—A person whose official responsibilities include providing mental health counseling to members of the institution's community and who is functioning within the scope of his or her license or certification. This definition applies even to professional counselors who are not employees of the institution, but are under contract to provide counseling at the institution.

B. *Requirements:*

In order to keep the campus community informed about safety and security issues on an ongoing basis, an institution must alert the campus community of certain crimes in a manner that is timely and will aid in the prevention of similar crimes. Efforts will be made to avoid unnecessarily identifying the victim in such cases.

These crimes must include all Clery Act crimes that are:  
Reported to campus security authorities and local police agencies; and are considered by the institution to represent a serious or continuing threat to students and employees.

In addition to making timely warnings, an institution is required to have a timely warning policy. All Title IV institutions are subject to the timely warning regulations. There are no exceptions.

Timely warnings can be issued for threats to property, as well as for threats to persons. It is irrelevant whether the victims or perpetrators are members of the campus community.

Timely warnings must be issued in a manner that gets the word out quickly communitywide.

The responsibility for the warning rests solely with the institution.

The institution's policy on timely warnings should specify who or which office is responsible for issuing the warnings.

The issuing of a timely warning must be decided on a case-by-case basis in light of all the facts surrounding a crime, including factors such as the nature of the crime, the continuing danger to the campus community and the possible risk of compromising law enforcement efforts.

An institution is not required to provide a timely warning for crimes reported to a pastoral or professional counselor.

FERPA does not preclude an institution's compliance with the timely warning provision of the campus security regulations.

C. *Summary and Procedures:*

The campus crime "Timely Warning" is provided to heighten awareness and to provide students, faculty and staff timely notification of Clery Act crimes that are considered to represent a serious or ongoing threat to the campus community. The warning will provide pertinent information related to the crime and available suspect information.

The Office of Vice President of Finance & Business Administration or designee is responsible for preparing and issuing timely warnings. The Office of Vice President of Finance & Business Administration will make the decision to issue a timely warning on a case-by-case basis considering the facts surrounding a crime, including the continuing danger to the campus community and the possible risk of compromising law enforcement efforts.

When the Campus Safety Officer issues a Timely Warning, it will be issued when deemed appropriate through the University's email system to students, faculty, and staff and posted around campus. Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the Safety Officer may activate the electronic messaging system or other means of communication, providing the community with more immediate notification.

Anyone with information warranting a timely warning should report the circumstances to the Student Development, by phone 817.722.1751, as well as the Campus Safety Officer at 817.722.1623 or in person at the Office of Student Development

**Emergency Notification:** The King's University utilizes an Emergency Notification System (ENS) for faculty, staff, students, and affiliated University constituents. After responsible personnel have been made aware of an emergency that poses a significant threat to the health or safety of students or employees occurring on campus, affecting all or part of The King's University campus, the ENS is activated without delay by the Campus Safety Officer or designee. Initial confirmation for activating the ENS may occur by observation of a Student Development member, notification from an emergency liaison, multiple witness telephone calls, or an alarm system notification received.

The ENS will contain pre-scripted brief messages or tailored content developed by the Office of Vice President of Finance & Business Administration or designated staff member. The information will be shared to help the public take action for their safety. An "all clear" message or follow up information will be disseminated as appropriate.

Localized incidents within a building, such as a small fire or hazardous material spill in a lab most likely will not require a mass notification.

In the event of an emergency that poses a significant threat to health or safety of students or employees occurring on campus, the ENS, fire detection system, email, website, social media sites, and/or phone attendant messages may be activated to notify the campus community, as The King's University administrative personnel deem necessary, based on the circumstances of the event. The ENS activation may make notifications in the following manner:

- E-mail
- SMS text message

Faculty, staff, and students are responsible for providing all necessary information to insure a successful message delivery. At the beginning of each semester, students have an opportunity during registration to change their contact information. Faculty and staff information is gathered upon hire and can be updated through the Business Office. It is the responsibility of each faculty member, staff member, and student to provide the correct information for contact and update the appropriate campus office when contact changes are made.

The following University officials have authority to activate the Emergency Notification System:

- President
- Vice President of Finance & Business Administration
- Campus Safety Officer
- Director of Marketing and Communications

After the appropriate notification system is selected, it may be used to transmit brief urgent messages. Emergency notifications may include, but are not limited to:

- Campus Closures
- Weather Warnings (Severe Thunderstorm Warnings & Tornado Watches & Warnings)
- Fire
- Natural gas leaks or hazardous material spills
- Natural disasters affecting the Campus
- Campus wide power outages and/or utility failures
- Violent criminal behavior
- Bomb threats or other imminent violent threats
- Explosions on campus
- Terrorism incidents

Dependent upon the contact information supplied by faculty, staff, and students, notification may be made in the following manners:

- Cell phone
- Home phone
- Business phone
- Student email
- Personal email
- SMS text to cell phone

The ENS will be internally tested each month with key University staff members and externally tested once a semester with The King's University.

**Security Awareness Programs:** During Welcome Weekend, students are informed of services offered by The King's University Office of Student Development. Presentations outline ways to maintain personal safety. Students are informed about procedures for reporting crime on campus. A common theme of the program is to encourage students to be aware of their responsibility for their own security and the security of others.

**Crime Prevention Programs:** The King's University provides crime prevention education and information to students annually through programs such as:

- *Issuance of Timely Warnings* to inform students of any criminal issues in order to prevent future incidents.

**Monitoring Criminal Activity Off-Campus:** When a TKU student is involved in any off-campus criminal activity, Student Development staff members may assist with the investigation in cooperation with local, state, or federal law enforcement.

The King's University maintains a working relationship with the Southlake Police Department, whose officers work and communicate with TKU on serious incidents occurring on campus or in the immediate neighborhood.

**Pastoral and Professional Counselors Reporting Policy:** In accordance with federal law U.S.C. Section 1092 (f), campus “Pastoral Counselors” and campus “Professional Counselors,” who are functioning only within the scope of their responsibilities as counselors (per the definitions below), are not considered to be campus security authorities and, therefore, are not required to report crimes for inclusion in the annual disclosure of campus crime statistics. It should be noted if a Pastoral Counselor or Professional Counselor qualifies as a CSA under some other standard they are not exempt and are required to report crimes for inclusion in the annual disclosure of campus crime statistics.

As a matter of policy, however, they are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures and requirement to report crimes for inclusion in the annual campus crime statistics.

The rulemaking committee defines counselors as:

*Pastoral Counselor:* An employee of an institution, who is associated with a religious order or denomination, is recognized by that religious order or denomination as someone who provides confidential counseling, and is functioning within the scope of that recognition as a pastoral counselor

*Professional Counselor:* An employee or contracted counselor of an institution whose official responsibilities include providing psychological counseling to members of the institution’s community, and who is functioning within the scope of his or her license or certification.

**Missing Person Policy:** Every TKU employee and student has a responsibility to report a person believed to be missing to The King’s University Office of the Campus Safety Officer 817.722.1623. The Campus Safety Officer along with the Office of Student Development will immediately investigate any report of an individual missing from campus.

After investigating a missing person report, should the Office of Vice President of Finance & Business Administration determine that the student has been missing for 24 hours, TKU will notify Southlake PD and the student’s “missing student” contact no later than 24 hours after the student is determined to be missing. Students under the age of 18, who are not emancipated individuals, shall be advised that the University is required to notify the student’s custodial parent or legal guardian within 24 hours after The King’s University Office of Vice President of Finance & Business Administration with law enforcement agency determines that the student has been missing for more than 24 hours, in addition to notifying any contact person designated by the student.

**Disclosure to Alleged Victims of Crimes of Violence or Non-forcible Sex Offenses:** The King’s University will, upon request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the University against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, The King’s University will provide the results of the disciplinary hearing to the victim’s next of kin, if so requested.

**Sexual Assault, Domestic Violence, Dating Violence and Stalking Policy:** Respecting the human dignity of every employee, student and guest, The King’s University strives to maintain a safe, Christian community free from all forms of sexual or physical intimidation and exploitation. Sexual assault, domestic assault, dating violence or stalking are not only incompatible with biblical standards of Christian conduct, but also are criminal acts. Therefore, the University prohibits sexual assault, domestic violence, dating violence and stalking.

This policy pertains to sexual assaults including rape, forcible fondling statutory rape, and incest; domestic assaults, dating violence and stalking that occur between students or against a student by a non-student perpetrator. This policy addresses the definition of sexual assault, domestic violence, dating violence and stalking and prevention efforts, how to report these crimes and gain assistance if it occurs, and the procedures for resolution of an incident

## **A. Definitions**

### **1. Sexual Assault**

The term *sexual assault* is defined as any non-consensual sexual physical contact that involves the threat or use of force or violence, or any other form of coercion or intimidation; any sexual physical contact with a person who is unable to give consent. It includes the crimes of rape, forcible fondling, statutory rape and incest as defined by the 2013 Violence Against Women Act and Texas Revised Statutes.

Note: For reference, *sexual harassment* is defined as any unwelcomed action of a sexual nature by a person (of the same or opposite sex), which results in sexual discrimination or a hostile environment. In some instances, sexual assault may also constitute sexual harassment.

### **2. Consent**

The term *consent* is defined as an unambiguous and willful participation or cooperation in an act or as an attitude that is commonly understood to be consistent with the exercise of free will. Refusal to consent does not have to be verbal; it can be expressed with gestures, body language or attitude. A prior sexual history between the complainant and respondent does not constitute consent. Consent is not freely given if one of the following applies:

- a. The individual is unable to make an informed decision as a result of alcohol or other drugs (including but not limited to predatory drugs or prescribed medications); or
- b. The individual is unconscious, asleep, or suffering from shock; or
- c. The individual is under the age of seventeen and therefore legally unable to give consent; or
- d. The individual has a known mental disorder or developmental or physical disability, and therefore legally unable to give consent.

“No” means “No”

“No” can be expressed or implied, it does not have to be spoken.

“Yes” means “No’ if conditions a, b, c, or d listed above exist.

Note: For the purposes of the University, use of alcohol by an offender neither diminishes personal responsibility nor is considered a mitigating factor in disciplinary sanctions should a violation be found to have occurred.

#### 4. Stalking

a) fear for his or her safety or the safety of others; or

    - ii. **Other Information:** The staff member will also seek and identify in the report as much potential corroborating information as possible
  - c. **Incident Report Options:** The staff member will provide information to the victim concerning the options for reporting the alleged offense and will use one of the following three formats selected by the victim. Absent special circumstances the officer will encourage the victim to choose the third option (a formal complaint).
    - i. **Anonymous Report:** The report will not include the name of the victim or other information about the victim's identity. The report will be used solely for information to enhance prevention programs and to prepare statistical records. The report will be signed by the staff member, who will verify that the victim has requested that no further investigation or action be undertaken.
    - ii. **Signed Report:** The report will include the name of the victim, but will be used solely for information to enhance prevention programs and to prepare statistical records. The report will be signed by the victim and will verify that the he or she has requested that no further investigation or action be undertaken.
    - iii. **Formal Report:** The report will be signed by the victim and will request further investigation and appropriate disciplinary action. If a police report was filed, the victim will provide the University a copy of the report.
  - d. **Confidentiality:** Regardless of the type of report, the name of the victim and other information about the victim's identity will be kept confidential by the officer and other University employees to the extent possible.
  - e. **Filing of Report:** Promptly after the completion of a report, the staff member will deliver the original copy of the report to the Director of Student Development and to the Office of Vice President of Finance & Business Administration. Upon receipt of a report, if the Office of Vice President of Finance & Business Administration determines there is a safety threat to the community, the victim will be consulted and an appropriate timely warning will be issued to the community.

**E. University Response to Reported Sexual Assault, Domestic Violence, Dating Violence and Stalking**

1. **Change of Program:** The University will accommodate change of academic and working situation if so requested by the victim. The victim may make change request to the Director of Student Development and to the Campus Safety Officer. The institution may adjust the accused's schedule, adjust the accused's work schedule to minimize contact with the victim or the University may change the victim's class schedule, the victims work schedule. The University will

make reasonable efforts to accommodate the victim's requests even if the victim chooses not to pursue the matter. The University will make reasonable efforts to maintain as confidential any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would impair the ability of the institution to provide that accommodations or protective measures.

## 2. Disciplinary Action:

- a. If the Incident Report requests disciplinary action, and if the offender is a visitor or vendor, then the Office of Student Development or Campus Safety Officer will contact the Southlake Police Department to investigate.
- b. If the Incident Report requests disciplinary action, and if the offender is a University employee, then the Office of Student Development or Campus Safety Officer will contact the Southlake Police Department to investigate and will forward the Incident Report to the Business Office and the appropriate Vice President for resolution in accordance with policies governing employee conduct.
- c. If the Incident Report requests disciplinary action, and if the offender is a student, then the Student Development along with the Campus Safety Officer will review the complaint for action.
  - i. **Parties.** In the disciplinary process, the victim of a sexual assault, domestic violence, dating violence or stalking is referred to as the complainant, and the student who assaulted or stalked the victim is referred to as the accused student. Collectively, the complainant and the accused student are referred to as the parties for the particular case.
  - ii. **Gender Balance.** The Director of Student Development or Campus Safety Officer may elect to handle sexual offense complaints in cooperation with another faculty or staff member of the opposite sex in order to eliminate the risk of any gender bias, either perceived or real.
  - iii. **Administrative Resolution.** The Director of Student Development or Campus Safety Officer will conduct an investigation to determine if the complaint has merit. Unless the complaint is found to be without merit, the Director of Student Development or Campus Safety Officer will seek to resolve the matter administratively by determining the nature and severity of the violations and by reaching an agreement with the accused student on the appropriate sanctions for such violations. The Director of Student Development or Campus Safety Officer will confer with the complainant prior to completing an agreement with the accused student.
  - iv. imposition against the accused student. If the accused is found to be in violation of the Sexual Assault policy, then the minimum sanction is *Immediate Suspension* for one year, plus evidence of successful counseling prior to readmission; additional sanctions may include the maximum sanction of *Dismissal*, meaning permanent separation from the University. If the accused is found to be in violation of the policy against domestic violence, dating violence or stalking the sanctions may include, official warning, Alert Level 1, Alert Level 2, Probation Level 1, Probation Level 2, Withdrawal, Suspension or Dismissal.

Sex Offender Registry: In accordance with the *Campus Sex Crimes Prevention Act of 2000*, which amends the *Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act*, the *Jeanne Clery Act*, and the *Family Educational Rights and Privacy Act of 1974*, The King's University Office of Student Development provides a link to publicly accessible Internet web sites containing the *Texas Sex Offender Registry* and the *Tarrant County Sex Offender List*. This law also requires sex offenders, who already are required to register in a state, to provide notice of each institution of higher education in that state at which the person is employed or enrolled as a student.

Individuals included on the web sites are included solely by virtue of their conviction record and Texas state law. The primary purpose of providing this information is to make the information easily available and accessible, not to warn about any specific individual. Anyone who uses this information to commit a criminal act against another person is subject to criminal prosecution.

**<sup>1</sup>Possession, Use, or Sales of Alcoholic Beverages:** All students, faculty, and staff, while on or off University property, are expected to refrain from the possession, sale or use of alcoholic beverages. Providing, purchasing, attempting to purchase, or facilitating the purchase of alcoholic beverages is likewise prohibited. “Use” includes consumption by any means. Students are considered “in possession” and responsible for alcoholic beverages that have been determined to be on their person or in their residence or vehicle. Consistent with Texas law, the University prohibits the use or possession of an alcohol beverage vaporizer. The College reserves the right to check for compliance with this alcohol policy by various means, including active and passive alcohol sensors.

It is unlawful to sell furnish or provide alcohol to anyone under 21 years of age. The possession of alcohol, including possession by consumption, by anyone under 21 years of age is illegal. Individuals violating these polices may be subject to sanctions by The King’s University, criminal prosecution, fine and imprisonment.

**Illegal Drug Possession:** Everyone in The King’s University (including employees, students, and graduate/professional studies students), while on or off University property, is expected to refrain from the manufacture, possession, use or distribution of illegal drugs. Purchasing, attempting to purchase, or facilitating the purchase of illegal substances is likewise prohibited. Students are considered “in possession” and responsible for illegal substances found on their person or in their residence or vehicle. Possession of drug paraphernalia is prohibited. If an illegal substance is suspected, the University policy is to call Southlake Police and secure the area until their arrival. Individuals violating these polices may be subject to sanctions by The King’s University, criminal prosecution, fine and imprisonment.

**Available Help:** The King’s University recognizes the University community is not immune to the societal problem of substance abuse. Confidential referrals for counseling, treatment, or rehabilitation are available from the Office of Student Development for students and employees who voluntarily seek such assistance.

**Drug and Alcohol Abuse Prevention Program:** The King’s University complies with the Drug-Free Schools and Campuses Regulations, by annually distributing to students and employees written documentation regarding the availability of a Drug and Alcohol Awareness Program.

The Office of Student Development provides related information during Welcome Weekend, student registration and other health awareness programs throughout the year.

### **The King’s standards of Conduct:**

Recognizing The King’s University as a community of believers, the school expects its students, faculty, and staff to exemplify biblical standards of conduct in all areas of their lives, both on and off campus, and in interpersonal and community relationships. The institution expects its members to demonstrate integrity in their personal lives and in their academic/professional work, and to show respect, concern, and proper behavior towards their colleagues and those in authority.

The King’s Standards of Conduct Statement is a central criterion of behavior for all that are a part of The King’s community. It represents a standard of Christ-like maturity based upon a biblical philosophy, reverence for God, esteem for humankind, and personal integrity.

---

Recognizing that preparation for and involvement in the service of Christ requires personal commitment to the Lord Jesus Christ. The King's expects all members of its community to seek spiritual growth and maturity in their Christ-like lives. The following are expected of community members:

- Study the Word of God. Regular and consistent personal study of the Word is essential for spiritual growth. I Pet. 2:2 encourages us to “long for the pure milk of the Word.” The Word has the power to reach the innermost parts of our being (Heb. 4:12) and to enable us to stand firm for Christ (Eph. 6:17).
- Communion with the Father. Christ-like living is essentially a love relationship with the living God (James 4:8), birthed by and substantiated through the power of the Holy Spirit. To personally know the Father we must have communion with Him. Jesus Christ gave us the example to pray regularly and consistently and the Scriptures encourage us to “pray continually” (I Thess. 5:17) including prayer in the Spirit (I Cor. 14).
- Discipleship. God's Word instructs believers to follow the example, “and observe those who walk according to the pattern you have in us” (Phil. 3:17). Discipleship is developing personal relationships for spiritual goals. Community members are encouraged to form personal friendships, structured accountability relationships, and/or small groups.
- Church Attendance. Believers are instructed not to forsake “assembling together” as they submit themselves to the life and leadership of a local assembly (Heb. 10:25, I Cor. 16:13-16). It is expected that all members of The King's community will establish a church home and regularly attend worship services.
- Christian Ministry. The Father has called every believer to do the work of ministry (Eph. 4:16-18).

The Word declares “We are His workmanship, created in Christ Jesus for good works” (Eph. 2:10). It is anticipated that all members of the community will be involved in some expression of Christian service in Jesus' name and that all are encouraged to exercise spiritual edification of gifts for the body.

Recognizing that preparation for and involvement in the service of Christ requires a lifestyle consistent with an effective Christ-like witness and one which exemplifies a life of integrity and Christian values, the following are expected of community members:

- Maintain a Blameless Testimony. Scripture declares that God has created all persons in His image (Gen. 1:26-27) and that we are not to be conformed to this world (Romans 12:2), but are to be “holy in all” our conduct (I Pet. 1:15-16). To maintain a blameless testimony as Christian leaders, students and employees are expected to totally abstain from participating in either fornication, adultery, or using pornography, illegal drugs or harmful substances, or the abuse of alcohol and profanity, obscenity, and dishonesty including plagiarism are equally unworthy and to be shunned.
- Respect for Peers and Authority. The King's expects every member of the community to demonstrate love, respect, and honor to all other members of the community, whether it is with one's colleagues or with those in authority (Rom. 12:10, I John 4:21, I Pet. 2:17, Heb. 13:16-17).
- Discrimination/Harassment. In valuing the rights of all individuals and their contributions (I Cor. 10:24), we acknowledge all forms of racial and gender discrimination to be violation of God's laws (Acts 10:34). The King's is committed to providing a learning and working environment that is free of discrimination. In keeping with this commitment, unlawful harassment, including sexual harassment, is strictly prohibited.

- Dating and Marriage. The King's expects the highest standard of moral purity to be maintained by members of its community regarding both dating and marriage. God's Word does not condone either pre- or extra-marital sexual activity (I Thess. 4).
- Appearance and Dress. Recognizing that members of The King's community are called to be leaders in the Church and in society, the school requires its members to follow the standard of modesty in dress and appearance. Scripture calls believers to be examples to those around them (1 Tim. 4:11-12) and to give no offense to others (I Cor. 10:32). Thus, members of The King's community should never allow their appearance to be a stumbling block to another.

The King's Standards of Conduct states the means for achieving the kind of lifestyle expected of trustees, administrators, faculty, and students. Traditionally, a code of conduct is used to enforce behavior by publishing a list of rules with consequences. The University has stated the King's Standards of Conduct in a way that reflects the grace of God. It is included in official publications and is part of the Affirmation Statement that all members of the TKU community agree to live by with their signatures.

### **Representative Misconduct:**

Disciplinary regulations at TKU give students general notice of prohibited conduct but should be read broadly. They are not designed to define misconduct in exhaustive terms. Consequently, the following kinds of misconduct do not comprise an exhaustive list but are representative of misconduct that violates the Code and supplies sufficient grounds for discipline. Misconduct not listed here, including conduct prohibited elsewhere in this TKU Catalog, may also result in discipline. Discipline includes but is not limited to removal, suspension, or expulsion.

- Academic dishonesty, such as cheating, plagiarism, or knowingly furnishing false information to the University.
- Forgery, alteration or misuse of University documents, records, or identification.
- Obstruction or disruption of instructional, counseling, administrative, or other authorized University activities.
- Assault or battery, abuse or any threat of force or violence or hazing directed toward any person on University owned property, or University sponsored or supervised functions, or conduct which threatens or endangers the health or safety of any person.
- Theft of or willful damage to University property or theft of or willful damage to property of a member of the University community, such as visitors, students, or employees of the University on University property or at an authorized University activity.
- Unauthorized entry onto or use of University facilities.
- Violation of University rules or regulations including University policies concerning student organization, use of University facilities, or the time, place, and manner of student expression.
- Willful failure to comply with directions of University officials, including faculty and staff action in the performance of their duties.
- Use, possession, or distribution of alcoholic beverages, narcotics, or controlled substances on campus (except as expressly permitted by law) or presence on University property or at a University authorized event while under the influence thereof.
- Disorderly, lewd, indecent, obscene or sexually immoral conduct, expression, or language on University owned or controlled property or at University sponsored or supervised functions.
- Verbal abuse in any way that causes defamation or character assassination.

- Possession or use of any item used to threaten bodily harm to any person on University property or at a University function.
- Misrepresentation of oneself or an organization to be an agent of the University.
- Conduct that is in violation of federal, state, or local laws or ordinances while on University premises or at University sponsored activities.
- Abuse of computer facilities or use of computers for anything other than authorized course related work.
- Failure to return school properties such as equipment, books, teaching materials and any such things that had been loaned for the purpose of teaching or other use after receiving three notices of such failure to return such items.
- Intentionally initiating or causing to be initiated any false report, warning, or threat of fire, explosion, or other emergency on University premises or at University- sponsored activities.
- Intentionally or recklessly misusing or damaging fire safety or other safety equipment.
- Violating the Drug-Free Campus Policy.
- Violating the Sexual Harassment Policy.

Violations in any of the above ways with regard to one's use of the internet, social media and electronic communication.

#### **Jurisdiction:**

The TKU Code of Student Conduct applies to all students from the time they accept admission to TKU through the date of their graduation. This includes, but is not limited to:

- New students at Orientation;
- Persons not currently enrolled but who are still seeking a degree from TKU;
- Any person enrolled in a course offered by TKU;
- Any graduated student if TKU determines that his or her degree or receipt of credit may have involved misconduct while he or she was working toward the degree (degree revocation may be invoked).

#### **Non-Academic Discipline:**

Attendance at TKU is a privilege, not a right. Consequently, enrollment at TKU does not guarantee continuance. TKU has established behavioral guidelines that are consistent with its overall purpose and philosophy as established by the Board of Trustees. Infractions of school policy, either on or off campus, may result in penalties and jeopardize your enrollment at TKU. All non-academic discipline is handled by the Student Development Team in consultation with the Vice President for Student Development.

## Penalties:

Student Development is responsible to adjudicate non-academic disciplinary cases within the University. When a student is found guilty of an infraction, the Executive Director for Student Development will impose a penalty deemed appropriate to the offense and in the best interests of both the student and the campus community. The Executive Director's decision is final in cases resulting in an oral or written reprimand.

Students may appeal other penalties.

**Oral Reprimand:** An oral reprimand is the least severe penalty that may be imposed for behavioral infractions. A record of an oral reprimand is placed in the student's file and removed upon graduation or transfer if no further disciplinary action is taken.

**Written Reprimand:** A letter of reprimand is a final warning that any further behavioral problems will result in more severe penalty. A letter of reprimand will state the nature of the problem, the warning given, and a description of the next disciplinary step. A letter of reprimand becomes a permanent part of the student's record.

**Official Letter of Reprimand:** In some cases, the Executive Director for Student Development may issue an official letter of reprimand. This disciplinary letter is an official warning that any further behavior problems may result in dismissal. The letter states the nature of the problem, previous disciplinary action, and a description of the next disciplinary step. A copy is kept in the student's file.

- **Scholarship Forfeiture:** Institutional scholarships may be canceled or reduced.
- **Suspension:** The Executive Director of Enrollment Management may suspend a student from access to the campus for a specified period; from attending classes for one to three days; or from attending the next semester.

**Dismissal:** Dismissal is the most severe discipline TKU will administer to a student. All dismissal decisions are reviewed by the President's Executive Team. Dismissal will include one or more of the following penalties.

- Total loss of academic credit for all courses taken during the semester current at the time the cause for dismissal occurred, regardless of when the offense occurred during the trimester.
- Prohibition from campus for a minimum full semester to an indefinite amount of time, unless specific permission is granted by the Administration.
- The imposition of prerequisites that must be met before readmission will be considered.
- Loss of any institutional scholarship.
- Possible loss of other financial aid.
- If necessary, enforced departure from the campus within 24 hours.

Regardless of the time in the semester, a dismissal is a total loss of academic credit for that semester. Dismissed students will receive prorated refund of tuition. Students who are dismissed from the University must leave within 24 hours and may not return to the campus until authorized to do so by the Administration. The Administration will work with the student to ensure that they fully understand the implications of dismissal.

- Students who have been dismissed for bad conduct may reapply after six months through normal admissions procedures, providing they have met prerequisites that may have been imposed at the time of dismissal.
- Those who have been dismissed for academic reasons may apply for readmission after two semesters. However, readmission is still subject to administrative review.
- The Administration has the right and responsibility to exercise the means of discipline deemed appropriate according to individual cases.

TKU will refund tuition to dismissed students according to the tuition refund policy current at the time of dismissal. TKU is not obligated to readmit a dismissed student. However, a dismissed student may apply for readmission by following normal admission procedures after two complete semesters have elapsed from the effective date of dismissal. Dismissed students must have complied with any prerequisites imposed at the time of dismissal to be considered for readmission.

Cases of dismissal are automatically reviewed by the President's Executive Team at TKU. This task is not a part of the appeal process, but an internal process designed to ensure consistency in the application of policy and to determine if there are new lessons to learn from the cases.

### **Appeals of Non-Academic Discipline:**

Students may appeal disciplinary action other than an oral or written reprimand. Appeals must be received by the Vice President for Student Development within two business days of the imposition of the penalty at issue. The Vice President will convene a Discipline Appeals Committee (DAC) within two workdays to hear the appeal. The following guidelines apply.

- The DAC will be composed of three members of the faculty, excluding the applicable Dean or Vice President.
- The DAC will provide the student written notice of the time and place of the hearing.
- The Dean or Chief Academic Officer will present the charges and the rationale behind the penalty.
- The student will present his or her case and answer any questions asked by the DAC.
- The DAC will deliberate in executive session to determine if the imposed discipline is fair and consistent
  - with stated policies.
- The DAC will recommend a course of action to the President whose decision will be final.

## **Student Grievance Procedures:**

A grievance is a just or supposed basis for complaint arising out of any alleged unauthorized or unjustified act or decision made by a member of the TKU community that in any way adversely affects the status, rights, or privileges of a student. An aggrieved student may complain to the administration to correct the problem. The burden of proof is on the individual who submits a complaint. The grievance process is not the correct means for appealing disciplinary actions.

### **Step 1 - Informal Action**

Seek resolution first through direct, informal communication with the responsible person (Matthew 18:15). Discussion between those involved is encouraged at all stages but is essential in the early stages of resolution. If the complaint cannot be resolved informally, formal action may be taken.

### **Step 2 - Formal Action**

The following procedure is used to resolve a formal complaint.

- a) State the grievance in writing (write a complaint) within 60 days of the alleged event and submit the complaint to the Vice President for Student Development. No special form is needed, but the complaint must include:
  - i. The date you submit the complaint;
  - ii. A description of the grievance that includes all relevant information such as date(s) when the problem was evident, evidence substantiating the grievance, and witnesses; and
  - iii. A proposed resolution, that is, what you want to happen to resolve the grievance.
- b) The Vice President for Student Development has two working days from the date of receipt to forward the grievance to the administrator who will serve as mediator to resolve the matter. Care will be taken to ensure that the mediator has the expertise necessary to resolve the grievance.
- c) The mediator has two working days from the date of receipt to:
  - i. Send to the student an acknowledgement that briefly summarizes the grievance and informs the student that a resolution will be sent within ten working days, and
  - ii. Forward to the President a copy of the grievance and acknowledgement.
- d) The mediator has ten working days from the date of receipt to:
  - i. Investigate the alleged basis for the complaint;
  - ii. Investigate previous efforts taken to resolve the grievance;
  - iii. Investigate any contingencies and take such action that may help resolve the grievance;
  - iv. Send to the aggrieved student a formal response (a statement describing what was or will be done to resolve the grievance); and
  - v. Forward to the President a copy of the formal response.
  - vi. If the student is satisfied with the formal response, the grievance is resolved.
- e) If the student is satisfied with the formal response, the grievance is resolved.
- f) If the student is not satisfied with the formal response, a request for a hearing may be made to the Grievance Committee, which:
  - i. Shall be given a copy of the case to date;
  - ii. Shall schedule a hearing date and time within seven working days of the request and notify all concerned (but not necessarily invite them to attend);
  - iii. May invite the student and any witnesses to attend the hearing—the student does not

- have a right to attend;
  - iv. Shall conduct the hearing as informally as possible, while reviewing and evaluating the case;
  - v. Shall keep its deliberations confidential; and
  - vi. Shall, by majority vote, recommend to the President a course of action to finally resolve the grievance.
- g) The President will issue a decision, which shall be final, in writing to the student within three working days of the hearing.
- h) The Office of Student Development will maintain the official record of the complaint upon its resolution.

If a complaint is not settled at the institutional level, the student may contact the Texas Higher Education Coordinating Board, 1200 E. Anderson Lane, Austin, TX 78752, P.O. Box 12788, Austin, TX 78711-2788, (512) 427-6101; Or an individual may contact the Bureau for Private Postsecondary Education for review of a complaint. The Bureau may be contacted at 2535 Capital Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6924, fax (916) 263-1897; or TRACS, in writing via email at [info@tracs.org](mailto:info@tracs.org) or by mail at Transnational Association of Christian Colleges and Schools, Box 328, Forest, VA 24551; ABHE, in writing via email at [abhe.org](mailto:abhe.org) or by mail at Association for Biblical Higher Education, 5850 T.
